Instructions**
International School
University of Haifa

Each year a limited number of students will be granted financial aid based on need. Students who are in financial need are encouraged to submit an application.

In addition to the financial aid application, students must submit the following:

- Letter explaining your financial situation.
- U.S. Applicants Only: Copy of your Student Aid Report. (The Student Aid Report is received after completing the FAFSA-Free Application for Federal Student Aid. For information about completing the FAFSA please visit www.fafsa.ed.gov.)

Your application will be returned to you if any pertinent information is left blank or if you do not submit all requested supporting documentation by the deadline stated in the guidelines.

The Financial Aid Committee will not look at a scholarship application unless the applicant has completed his or her application to the International School and has been accepted to the program. You are welcome to submit an application for financial aid at the time you submit your application for admission. However, even if you submit your application for admission *before* the deadline, your application for financial aid will only be reviewed *after* the deadline.

In order to be eligible for University of Haifa financial aid you must also submit applications to all other scholarship opportunities for which you are eligible (MASA, local Jewish Federation, etc.).

Recipients of financial aid from the University of Haifa are required to participate in the Volunteer Program while they are in Haifa. In addition, they will be expected to serve as ambassadors for the University of Haifa for the year following their return to their home countries. As ambassadors they will be expected to promote the University of Haifa via participation in Israel program fairs, visits to Hebrew classes and other relevant groups on campuses, and telephone and e-mail contact with potential applicants.
