Students may choose their own provider. Students can choose to either rent or buy a phone for the duration of their stay or borrow a phone from friends and family in Israel. Students are required to have their cell phones charged and with them at all times to enable International School staff to reach them by phone call or text message in the event of an emergency.

For students who still need to rent a phone, the University of Haifa has signed a contract with Talk 'N Save, providing students with a plan that offers reduced rates on international calls and inexpensive rates to other Haifa students on the same plan. You will have the opportunity to meet with a representative from the 'Talk'n'Save' cell phone company at Orientation Day. The representative will have phones available for immediate rental and use, with special rates for University of Haifa students. Please consult the Orientation Day schedule for times and locations.

Public Phones - Public phones in Israel take Bezeq telecards. These can be purchased at the post office or in many kiosks. **Do not** buy cards from the machine in Federman; these are for cellular phones.

HEALTH INFORMATION

Hospitals

In case of a medical emergency, you should go to the **Carmel Hospital in Ahuza** (Tel: 04-825-0211) and take your passport, insurance policy forms and some money along with you.

Be sure to inform us immediately if this type of emergency should occur. Our staff will assist you in any way possible. **You must also receive permission either from the “Bikur Rofeh” doctor or call *2700 and ask to speak with a nurse on duty and if it is necessary she will send a referral to the Carmel Hospital in Haifa. (All information regarding medical emergency is in the Clalit Medical Services information pamphlet which was sent to you on your arrival to the University of Haifa (Orientation link)**

Insurance Policy Information

The International School at the University of Haifa requires that all students be covered by an Israeli health insurance company. All students are insured with the **Harel Insurance Company**. The Health care services will be provided by Clalit Health Services.

The health insurance covers all injuries or illnesses that occur while you are in Israel. The insurance provides coverage from three days before the beginning of the program and until four days after the ending of the program.

If you are ill and need to see a doctor, please contact the International Office or one of the *Madrichim* (Social Activity Coordinators) who will help you make an appointment to see a doctor or you can call the doctor's clinic directly during office hours.

Medications: You may purchase prescription medicines only at the pharmacies located in the Clalit Clinics: (please see more information in your clalit packet) There are also private pharmacies that you can purchase the medication but you will have to co-pay for each medication.

When the Clalit clinic is closed and you need health care services, you may call for a doctor to come to your home, free of charge, through the “Bikur Rofeh” Call Center 1-800-260-660. A doctor will come within 3 hours.

Emergency room visits are fully covered only if Clalit or “Bikur Rofeh” doctor refers you. Without a doctor’s referral, you will have to pay for the emergency room visit unless the reason meets with the criteria of the Health Service Basket.

If you feel unwell at night, you may contact the “Bikur Rofeh” Call Center and request a house call or, alternatively, call *2700 and ask to speak with a nurse on duty. If it is necessary to refer you to the emergency room for urgent treatment, the nurse will send the referral directly to the emergency room to which you are referred. That way the emergency room will receive the referral and Clalit will cover the cost for the visit.

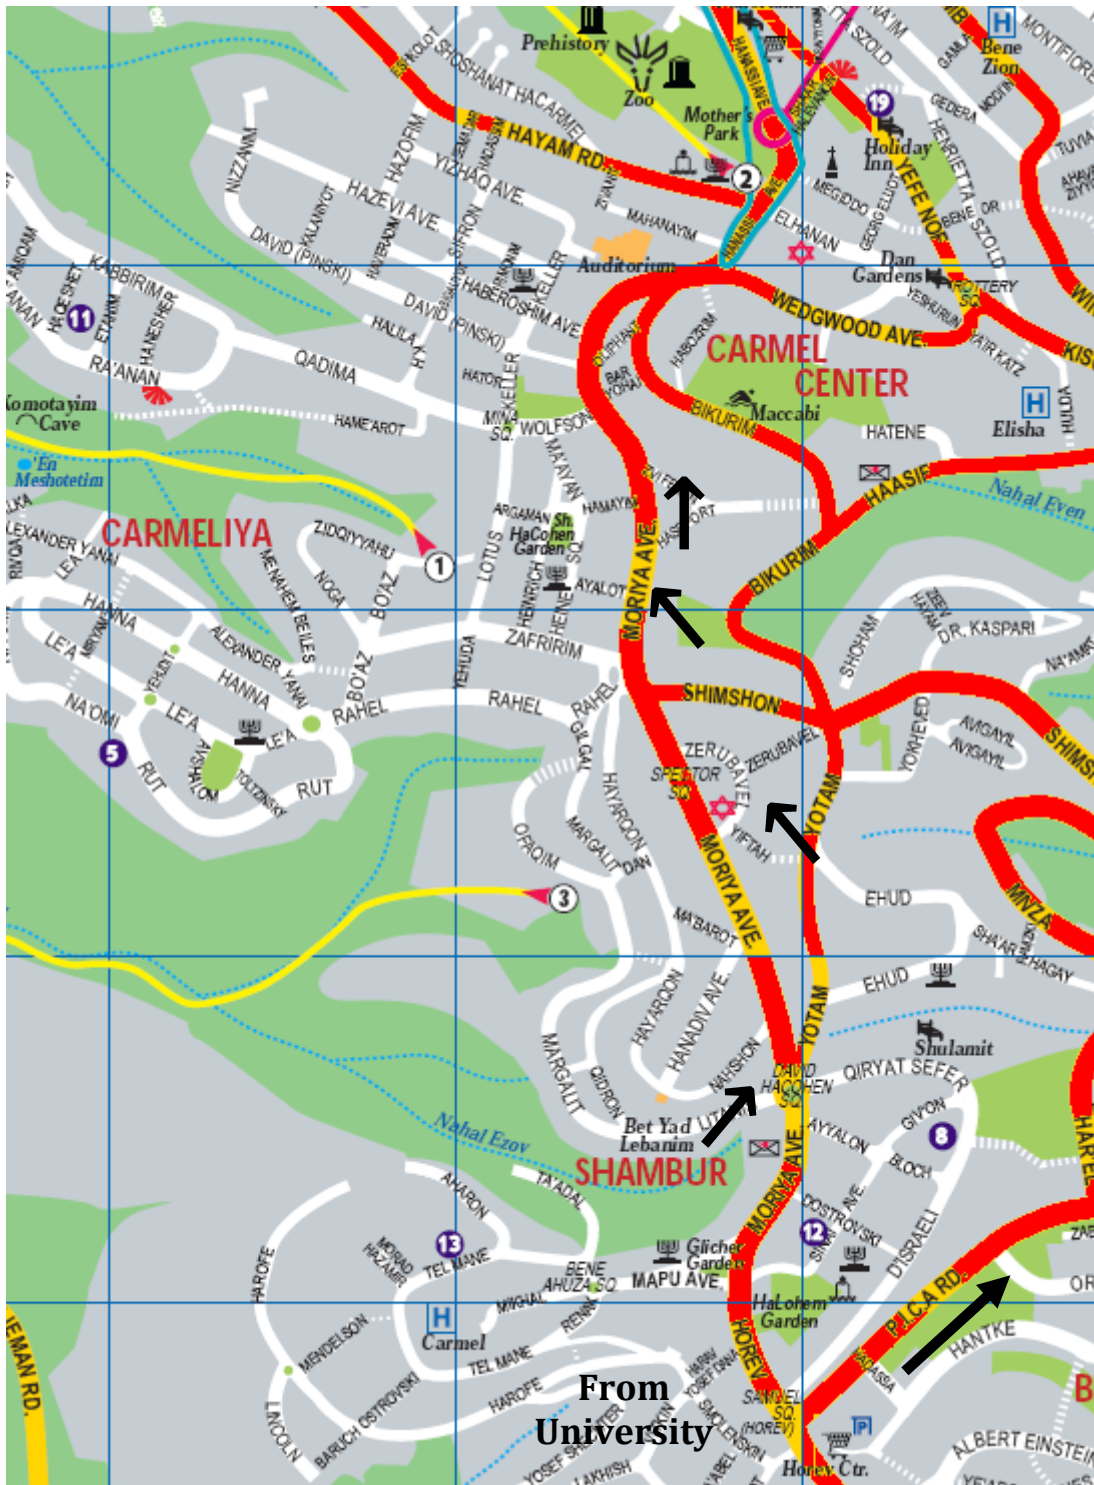

The membership card that the Harel Insurance Company issues must be presented to any service provider in order to receive health services, medication or tests.

The Harel Insurance provides in Haifa insurance through the **Clalit Health Services**. Clalit clinics can be found throughout the Haifa area. You will receive in your Orientation packet the list of all the clinics. **We recommend to locate a clinic close to your place of residence and register as a member.** For appointment with a family (primary care) physician, please call the **Clalit clinic directly**. There is a clinic also on Campus. Tel: 04-8249924 clinic hours Sunday through Thursday from 08:00—14:00. For other clinics please refer to the Clalit Medical Services in Haifa Packet which you received on the Orientation link on your arrival to Haifa.

For specialists such as ENT, Gynecology or other services please call the Clalit Call Center at * 2700 and press 4 for service in English. Sunday – Thursday’s between 8AM and 8

PM. Please see page 10 for a map of the area where the doctors clinics are located. For more information please see the letter from Harel Yedidim which is in your Orientation Packet.
